

# HUDSON NORTH CIDER

## GINGER CITRUS

### TAPS FOR TRAILS:

10¢ of every gallon of draft cider sold goes toward preserving & maintaining Hudson Valley Trails.

Our mission is simple; to create a hazy dry cider with New York apples grown in the Hudson Valley. Full flavored and with two thirds the sugar of our largest competitors, this cider is as rugged as the northern land it's produced in.

**AVAILABILITY**  
Spring & Summer

**FLAVOR**  
Ginger Citrus
